

OUR VISION

Working together to keep adults safe

The Suffolk Safeguarding Adults Board Vision, Mission & Values are informed by the six principles of safeguarding adults which should inform and guide the ways in which professionals and other staff work with adults, these are:

EMPOWERMENT

People being supported and encouraged to make their own decisions and informed consent

PROTECTION

Support and representation for those in greatest need

MISSION

The partnership will work at all levels across organisational and professional boundaries

VALUES

Respect, honesty, trust, integrity

PLEDGES

We promise to:

- Be inclusive and supportive
- Actively listen and understand
 - Be accountable and hold others to account
- Continually improve how we work together to keep adults safe

PREVENTION

It is better to act before harm occurs

ACCOUNTABILITY

Accountability and transparency in delivering safeguarding

PROPORTIONALITY

The least intrusive response appropriate to the risk prevented

PARTNERSHIP

Local solutions through services working with communities. Communities have a part to play in preventing, detecting, and reporting abuse
