

Suffolk Safeguarding Partnership

Suffolk Safeguarding Partnership Section 11 Audit

One of the SSP's Professional Advisers will meet with the safeguarding lead for each key agency to discuss safeguarding practice and procedure and to ensure scrutiny. Any need for safeguarding leads to attend the Partnership's LIG meeting will be discussed with the Professional Adviser. The meeting with the Professional Adviser will cover:

- Self-assessment of performance and multi-agency working.
- Areas where support from the Partnership is required.
- How is safeguarding practice making a difference for your clients/those you support?

Please complete a brief report on these aspects for dissemination to LIG members.
